TC-2800 MAIL ROOM

Dear Sir:

In response to the restriction requirement set forth in the Office Action mailed May 6, 2002, Applicants hereby provisionally elect claims 1-5 and 15-20 for continued examination.

The Examiner has required restriction between claims 1-5 and 15-20, drawn to a method of forming a semiconductor device, classified in class 438, subclass 149, and claims 6-14, drawn to an apparatus to fabricate a semiconductor device, classified in class 118, subclass 723.

Applicants believe the foregoing amendments place the application in condition for allowance and early, favorable action is respectfully solicited. Should the Examiner deem that a telephone conference would further the prosecution of this application, the Examiner is invited to call the undersigned attorney at (202) 624-1200.

If these papers are not considered timely filed by the Patent and Trademark Office, then a petition is hereby made under 37 C.F.R. § 1.136, and any additional fees required under 37 C.F.R. § 1.136 for any necessary extension of time, or any other fees required to complete the

filing of this response, may be charged to Deposit Account No. 50-0911. Please credit any overpayment to Deposit Account No. 50-0911.

Dated: May 28, 2002

Respectfully submitted,
